TELL US About Your Organization

The organization conducting the project (charity *or* agent).

What is your mission?

In a brief 1-2 sentences describe your organization's programs/services

TELL US About Your Project

Project title (10 words or less)

Project Duration

How will the Columbia Valley, especially from Spillimacheen to Canal Flats, benefit from this project? Who, specifically, will benefit?

If your project has collaborative partners, please identify them and their role in the project.

TELL US About Your Project

What will be a successful outcome for this project, and how will you know if you've achieved that?

How will you acknowledge the funding received of the Columbia Valley Community Foundation?

Is there anything additional that you would like the CVCF to know about your project/organization?
